## WORK EXPERIENCE

### MTL Corporate Solutions Pvt Ltd

JUNE 2024

MERN STACK DEVELOPER

**UI Development:** Worked on the user interface parts of a cab service application to enhance usability and user experience.

**Google API Integration:** Implemented Google API calls for location services and other functionalities, ensuring seamless data interaction between the app and Google services.

**Data Handling:** Managed the sending of data to the backend and processed responses to display relevant information on the front end.

**Code Debugging:** Identified and resolved issues in the codebase to ensure smooth operation and reliability of the application.

**Code Structuring:** Improved code structure for better maintainability and readability, adhering to best practices.

**Code Review Meetings:** Participated in code review meetings to ensure code quality and collaborate on improvements with the development team.

## PROJECT/FREELANCING

### Human-Powered Service Platform

**State Management:** Implemented Redux for efficient state management, ensuring seamless data flow and consistent user experience across the platform.

**Frontend Development:** Designed and built user-friendly interfaces using modern frameworks and tools, focusing on responsiveness and accessibility.

**Performance Optimization:** Conducted in-depth performance analysis to reduce latency and improve overall system efficiency.

### Gaming Platform

**Frontend Development:** Built responsive and interactive user interfaces using modern frameworks like React.

**Performance Optimization:** Improved application performance through techniques like lazy loading, code splitting, and asset optimization.

**State Management:** Utilized Redux to manage game state and real-time data updates.

## SKILLS

**Language :-** Javascript/Typescript, Java, Core Java

**Front-end :-** HTML, CSS, React JS, Next JS, Redux Toolkit, Tanstack Query

**Back-end :-** Node JS, Express, Rest-API, JWT, MVC, OOPS, SOLID Principle, Spring Boot ,Spring Security,Github,Docker

**Database :-** MySql, Postgres, MongoDB

## CERTIFICATION

➤ **MERN FULLSTACK WEB Development :-** **GeeksforGeeks**

## EDUCATION

R.V.S. College of Engineering and Technology, Jamshedpur 2017 – 2021 B. Tech – Mechanical Engineering - CGPA – 7.1

*Jamshedpur, Jharkhand*
